

WELCOME BACK!

HELLO!

My name is Kate Patterson. I am so excited to be your child's teacher this school year! This is my 4th year at Propel Northside and my 3rd year teaching second grade. Second grade is my absolute favorite grade in elementary!

I have been married to my wonderful husband, Kevin, for two years and we are expecting our first baby this January! We have a little puppy named Sawyer who is and always will be our "first baby". Some of my hobbies include running, bike riding, painting and crafting, exercising, camping, and of course, teaching!

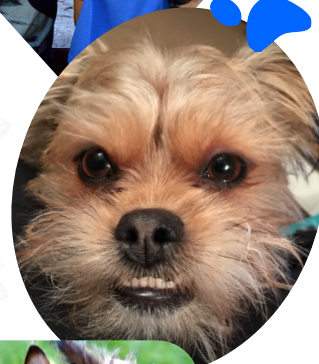

I love finding new ways to make learning fun and exciting! The theme of my classroom is "Monsters" and everything is bright and colorful! I am a firm believer that good parent-teacher communication is the key to giving your child the best learning opportunities we can. I'm not your child's only teacher, you are too! We can work together at home and in school to give your child everything they need to be successful!

Together, We can make this year awesome!
